CAPTAINS

SENIORS — *1st Row (L to R):* Tri-Captains Heather Fullerton, Gina Martiniello, and Ann Marie Andersen. *2nd Row (Middle):* Jen Hayden and Dawn Smith. *Missing Senior:* Nicole LaRiree.

Our Field Hockey team ended a difficult season with a record of 6-4-6. Unlike the powerhouse team that we usually are, we struggled to produce a winning record. Though we lacked in talent, we discovered the true meaning of team-work and friendship. The beginning of the season was frustrating and trying, but it all came together in the end with an unforgettable victory over the previously undefeated Tyngsboro team. Always remember that Jan makes you know you can and Urquie makes you feel so perky. And in spirit may our motto always be:

"United we stand
Divided we fall
Wilmington Wildcats
Best of All!"

GIRL'S SOCCER

1st Row (L to R): SENIORS — Andrea Ducey, Suzy Walsh, Erin McKenna, Ellen DeMarco, Katie Finn.

Coming off of last year's excellent sea son, this year was a rebuilding one fo the girl's soccer team. Led by co captains Suzy Walsh and Erin McK enna, and seniors Ellen DeMarco, Ka tie Finn, and Andrea Ducey, the team had a record of 5-10-0. With win over Dracut twice, North Reading once, and Tewksbury twice, the team always tried their hardest and gave 110%. The year was highlighted by the selections of Erin McKenna to the MVC All-Conference team for the sec ond year and the Eastern Mass Di vision II All-Star Second Team and Suzy Walsh, Andrea Ducey, and Gin ny Cosgrove to the MVC All-Star team.

BOYS SOCCER

The boys soccer team had a great season this fall. They missed making the state tournament by only one game, but in the season they beat Tewksbury twice! Led by captains Andy Parr, Mark Bobek, and Brian Gillespie, other seniors were Anthony Vitale, Sean DeMaggio, Peter Damore, Jeff Bento, and Dave Simmons. There were four selections to the All-Star team this year. Andy Parr and Brian Gillespie were chosen All-Conference Players and sophomores Matt McManus and John Lynch were chosen MVC All-Stars.

WHS Football made the papers all season — first begging us to forfeit against Chelmsford and Lowell, then lauding the miracle 17 who BEAT the mighty Lowell. (We did pretty well against Chelmsford, too!)

Although we fought hard against Tewksbury, the Wildcats couldn't quite pull off a victory on the post "Thanksgiving Day" game. Finishing the season with a respectable 5-5 record, the 1990 Wildcats deserve congratulations for their spirit and determination.

BOYS BASKETBALL

The Wilmington High School Boys' Basketball team went to war this year with new coach Jim McCune. The team was hopeful after winning its first two games against Dracut and Matignon, and a league title seemed within reach. The squad continued to chase the title but it managed to slip away with each close loss that the team suffered. The Wildcats tried not to dwell on their previous defeats and continued to work hard until the end, finishing with a six and fourteen record.

Highlights of the season included new, free, skiboot sneakers, Wildcat pride T-shirts, beating Tewksbury, James Robichaud being named All-Conference, and a broken chalkboard. Special thanks to Kevin "Alright, OK?" MacDonald and Tom Woods for their support, dedication and innovative, tortuous drills.

The "Happy Campers" never did ride in the great "Winnebago," but they did show those Peacocks (or are they pea pods?) what Wildcats are made of (just about 130 points — eat that up Tammy!) Their hard work almost got them to Sectionals — maybe next year guys! Anyway, they learned that with "Desire" (and maybe more WHS gym time!) THE SKY'S THE LIMIT:

Much effort and hard work went into this year's baseball team, but the guys couldn't pull off many wins. With Dick's coaching and team captains Jeff Bento, Steve Killilea, and Mark Bobek, the 1990 team gave it their all but ended up with a losing 3-17 record. Those 3 wins were a gift from the team manager Jen, in thanks for the water dumping incident at the Haverhill game. She claims that she purposely screwed up the books so their record wouldn't be 0-20. You're welcome guys!! Also to be mentioned are the All-Stars Jeff Bento, who was also this year's MVP, and Steve Killilea. These two probably would've done well in the All-Star game but *rain* screwed that up, *NOT* Jen.

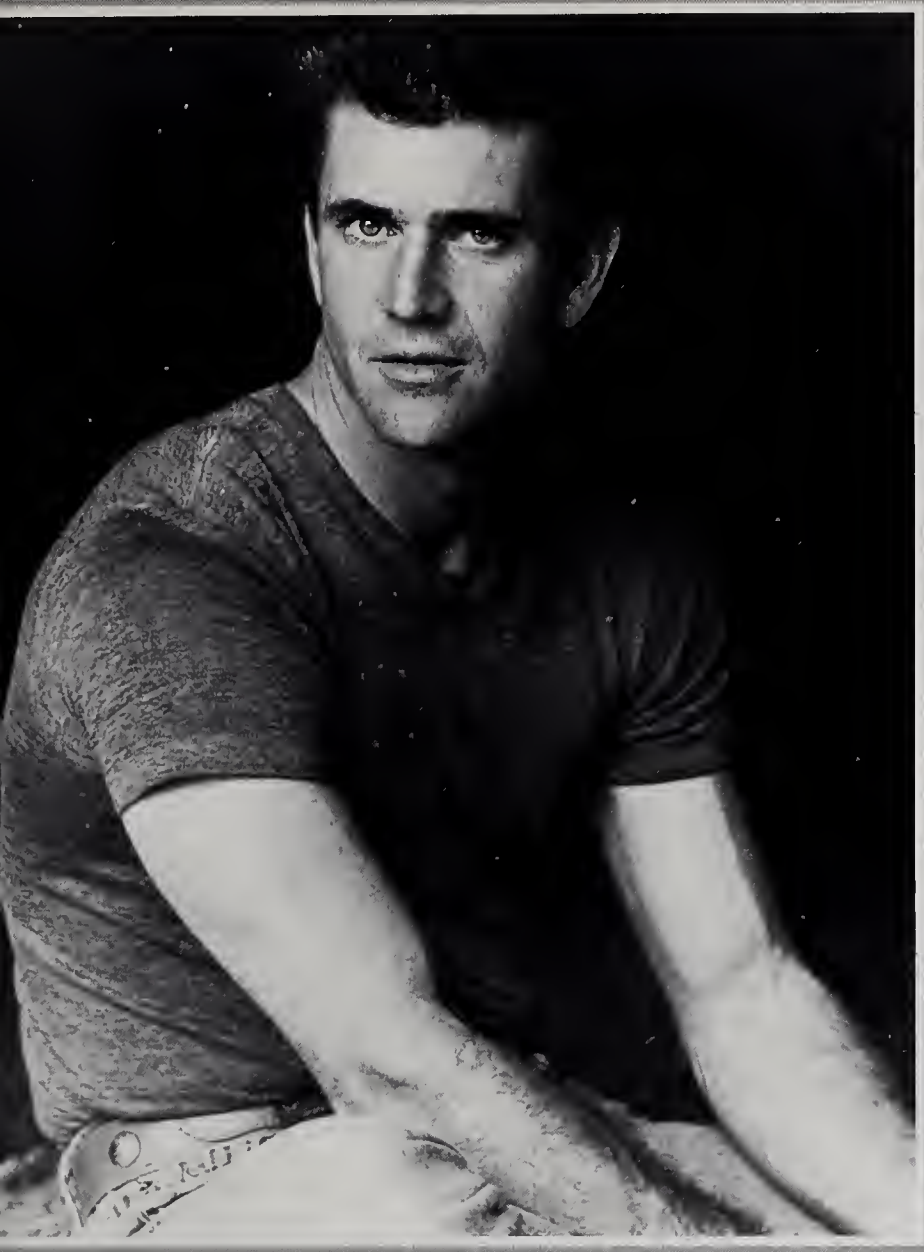
1990



EXXON

TEACHER OF THE YEAR

Mr. Richard Scanlon

Mr. Richard Scanlon

The class of 1990 proudly announces Mr. Richard Scanlon as "Teacher of The Year." As always the choice for this award was difficult. The award must go to the person that is dedicated to teaching, is genuinely concerned for the students, and always willing to take time out for the students' "crises."

Mr. Scanlon, otherwise known as "Dick," is a caring person who likes his students, and is a fun loving, hardworking coach who understands the importance of high school athletics.

Congratulations, Dick, on winning this award that we are so proud to present to you. You'll always be remembered by the class of 1990. Good Luck.

In September 1986, the Class of 1990 entered the newly renovated halls of Wilmington High School. We were the first class to complete four years in the new high school. Not everything was great in the beginning. The gym was not open and we had all of our gym classes outside. It was during that year the Boy's Varsity Basketball team made the State Tournament.

We returned the following September and found more work to be done. We were no longer the youngest students. We watched the Girl's Field Hockey team win their way to the top of the Merrimac Valley Conference. Our Drama production of "Rehearsal for Murder" made it to the second round of the Massachusetts High School Drama Festival. Our Gymnastics team scored 119 points in a meet, breaking the previous school record. We all rallied together when we discovered that the schedule for next year would change from 8 periods to 7. After much discussion the decision stood. We finished the year with a "Half Way There" party at the Sons of Italy Hall that was thoroughly enjoyed by everyone in the class. But the next day we all had to come to school. It was either that or detention.

When we returned in the fall, we were now upperclassmen. That was a great year for the girl's teams. The Girl's Soccer Team, only three years old, advanced to the State Tournament by beating favored Chelmsford. The Field Hockey Team again repeated as MVC champs, and the Girl's Basketball team advanced to the State Tournament. Finally on May 19, the Junior Prom was held. The long awaited event was a success, and fun was had by all. Kerri Bently was chosen as Prom Queen.

Senior year began with a blast, Homecoming Weekend. As the Class of '90 returned, Nikki Zarella and Scott Halliday were chosen Homecoming Queen and King. The biggest success story of that year had to be the Wildcat Varsity Football Team. Led to their best season record in five years, by Coach Harrison, their dedication and hard work sparked a new flame of school spirit. One of our most beloved and respected teachers, Mr. Frank Kelly, was inducted into the Track and Field Coaches Hall of Fame. April saw the coming of Alcohol Awareness week which culminated with a powerful performance "Eddie", a play about drug and alcohol abuse. On May 18, 1990, the Senior Prom was held at the Hillview Country Club and was followed by a reception at the Knights of Columbus. It was a fitting end to Senior Sign out Day. Academic Convocation was held on June 1 followed by Graduation two days later. The four years came to a close that day, the third of June, when the class of 1990 made their final appearance as a group, on the field, in cap and gown.

Thus ends the History of the Class of 1990 of Wilmington High School.

Class Prophecy

It is the year 2010, and the class of 1990 has gathered for a 20th reunion. Wearing nylons and socks, we have returned to our illustrious gym (with the plastic floor covering on, of course). We have all found different jobs, husbands and wives, and many of us even have children. But, most of us are still the same as we wete in 1990.

Brenda Albertson now owns 10 pairs of dentures because she ate too many leaves. *Ann Marie Andersen and Dave Magee* now go to school functions. *Tracy Angiolillo* has taken ovet Mr. Woods job as Vice Ptincipal. *Todd Bailey and Ryan Collins* are . . . well, Todd Bailey and Ryan Collins. *Lauren Beals* owns her own sock factory, "Super Small Socks." *Greg Bennett and Jen McCarthy* talk. *Kerri Bentley* owns a successful hair salon and her motto is "If I don't look good, you don't either!" *Jeff Bento* is the ptinting king of America. *Lisa Berger, Stacey Sarcione, and Kim Keller* have successfully taught their children the art of calling in sick for themselves. *Julie Biondo* is a mute nun. *Triana Blowers* likes her class. *Mark Bobek* is a pro soccer player and is making a world tour with Pele. *Casey Bolger* is humble. *Jen Boucher* comes to school on time, but 20 years too late. *Todd Brisbois* opened an inflatable chest and ego shop and is making millions. *Pam Budd and Brenda Savosik* married the same man, and *Joe Valentino and Jay Pilcher* married the same woman. Best friends share everything, you know.

Mike Burns and Taunia Soderquist were making a wotld tour with "Eddie", but eventually Mike took Taunia to court for brain damage. Taunia's plead was, "I didn't damage anything that wasn't already damaged." *Kelli and Kerri Butler* both have two sets of twins. *Derek Buzzotta* has martied a sasquash and has 10 little gongas. A wall of "Self Portrait of Brit" pictures has been erected at WHS in honor of *Brit Cairns*. *Mike Calder and Bill Cane* are gynecologists. *Scott Carideo* and the gang are now in jail thanks to their driving "skills." *Chris Cassinello* is now a sheik in Saudi Arabia with his harem of women. His best friend Isiah visits often. *Greg Catanzano and Steve Killilea* have opened a gym called "You Can Look Like a God, Too!". *Kris Cavanaugh* is now a street bum and her biggest fashion statement is a Hefty bag. *Frank Cenca* falls asleep at the reunion and doesn't wake up for 100 years. *Michelle Chioccola* is the official President of the Mickey Mouse club. *Barbara Clement* is a timid person. *Sean Coclough* is a country-western and gospel singer. *Kern Corrigan and Mike Morris* are the hosts for teruns of "The Adams Family." *Michele Crehan* has her license. *Alessandro Cucci* gets caught squeezing the cashier . . . The rest of the Class of 1990 has been jailed, for not having the pope sign their invitation before coming. A telephone call was made to all theit families to make sure they were REALLY invited, and most will be released shortly.

"My heart shares a common bond with the class of 1990"
— Andrea Paglia

The 1990 Wildcat staff would like to honor Mrs. Paglia's son, Terry with a remembrance in our yearbook. In spirit, he is also a member of our class, and will never be forgotten by those whose lives he touched.

Terrence Raymond Wilson Paglia

Terry

Once upon a time, a flower grew:
it was planted for me and you.

The prettiest bud seen by all;
which grew to be four feet tall.

Blossoming with love and fun,
Our dandelion, our joy, our son.

Short lived, defying nature's fury,
To rest with God in His glory.

Like all flowers to give our hearts a lift.
We thank you, God, for our precious gift.

— Andrea Paglia

YEARBOOK STAFF

SUMMER STAFF

The 1990 yearbook was the product of many people's efforts. This includes not only the yearbook staff, but others who just wanted to see our class have a great yearbook. Assistant Editor Ellen Demarco always kept us organized and in control. Mrs. Hayes and her economic class are responsible for a majority of the ads, which considerably reduced the cost of the book. Your efforts were appreciated more than you know. Michele Crehan and Michael Burns put in many hours doing layouts and write-ups when nobody else had the time. None of this was as fun as looking at pictures or finding out who won the superlatives, but it had to be done in order to produce a yearbook. Thank you all.

I hope everyone enjoys the 1990 Wildcat yearbook. It holds many wonderful memories of a genuinely terrific group of people. Good luck to everyone; I hope we all find our own kind of happiness, achieve our own vision of success, and most importantly, fulfill our wildest dreams!
